## FIRE/EMS MEMORIAL LEGACY BRICK FUNDRAISER

Since its completion in 2007, the Port Washington Fire/EMS Memorial has helped pay tribute to the past, present, and future members of the Port Washington Fire Department. It has been a little over 10 years since the project's completion, and for only the second time the Port Washington Fire/EMS Association will offer the ability to purchase personally engraved bricks that will be prominently displayed as part of the memorial.

Proceeds will be used to help support community charities as well as pay for ongoing memorial maintenance.

Three sizes of bricks are available. A 4-inch x 8-inch brick which accommodates 3 lines of text, with 14 characters per line. This brick costs \$50 including engraving and installation. A larger 8-inch x 8-inch brick which accommodates 6 lines of text, again with 14 characters per line. This brick costs \$100 including engraving and installation. An 8-inch x 8-inch brick is also available for logo engraving. This brick will also accommodate 2 lines of text, with 14 characters per line. This brick costs \$250 including set-up, engraving, and installation. Please remember every space and punctuation mark counts as a character.

Orders are due by July 1<sup>st</sup>, 2018 with an approximately 1-2 month manufacturing period before installation. Please submit the attached order form and payment to:
